Recommendation for Action of NAOs

- **Advocate for sustained LGU support to Nutrition Program**
- **Ensure nutrition manpower Development (NAOs, BNSs and LNCs)**
- **Sustain LNC Members' commitment**

Recommendation for Action of NAOs

- **Target fathers/caregivers in nutrition education classes**
- **Recognize efforts of frontline workers**
- **Empower community for nutrition activities/projects implementation**

“We are guilty of many errors and many faults, but our worst crime is abandoning children neglecting the fountain of life. Many of the things we need can wait, the child cannot. Right now is the time his bones are formed, his blood being made and his senses are being developed, to him we cannot answer *“TOMORROW”*, his name is *“TODAY”*.

- Gabriella Mistal
