**2022 Nutrition Month Celebration**

**MECHANICS FOR THE NUTRIQUIZ: NUTRITION MONTH EDITION**

**Introduction**

The theme for this year's Nutrition Month is ***"New Normal na Nutrisyon, Sama-Samang Gawan Ng Solusyon!"*** It calls for strengthened nutrition interventions and solidarity towards nutrition improvement as the country shifts towards living with the COVID-19 virus. With the huge impact on nutrition that the pandemic has brought about in our lives, it only signifies the major role of good nutrition and a healthy lifestyle in helping us achieve a resilient transition from pandemic to endemic paradigm.

Nutriquiz is a brain-boosting weekly activity launched by NNC MIMAROPA last January 2020 where participants virtually answer the posted question of the week. For the Nutrition Month edition, questions to be posted are in line with the Nutrition Month theme.
