

Type of Emergency	Hazard	Vulnerability	Strategies and Activities	Timeframe	Resources		Person in Charge	Indicators
					Required	Source		
Natural	Earthquake	IPs, Senior Citizens, PLW, high magnitude to wasting and severe wasting, low immunization coverage	Passage and dissemination of policies	annual	meeting logistics, reproduction of policies	LNutCI	RNutCluster Chair	Regional Resolutions Drafted, MCs disseminated
	Typhoons		Strengthen routine immunization	whole year round	vaccine, syringes, safety boxes, alcohol, human resource	DOH, LGU	FHS/EPI Managers, P/C/MHO	95% FIC
	Floods		Coordination activities with other agencies	whole year round	meeting logistics	NNC	RNC Chair	Meetings conducted, minutes filled and acted upon
	Volcanic Eruptions		Strengthen F1K, PIMAM	whole year round	IEC, PIMAM commodities, CGS tools, human resource, CGS tools	DOH & NNC	F1K Coordinator, Nutrition Program Managers	LGUs adopting F1K, <5% prevalence of wasting
	Landslide		Strengthen pregnancy tracking	whole year round	Reproduction of forms, human resource	DOH & LGU	FHS SMP, P/C/MHO	100% of Pregnant women tracked
Technological	Mining		Increase 4ANC coverage	whole year round	Human resource	DOH & LGU	FHS SMP, P/C/MHO	90% 4ANC
			Data information systems updating	bi-annual	Computer, internet connection, form reproduction	DOH, NNC, LNC	Nutrition Cluster IMO	Information updated: FSHIS, OPT, LNEWs Data
Societal		geographical location (fault lines, volcano), poverty incidence	Livelihood Programs	whole year round	SLP logistics from partners	DSWD, DA, NGO, LGU	Livelihood coordinators	80% of vulnerable groups served
	Sporting/Cultural Events		Community Mobilization	whole year round	training logistics,	DOH, NNC, LNC	DOH, NNC	# of communities mobilized
	Armed Conflict		Health and Nutrition Education	whole year round	IEC materials, resource	HEPO, LGU	HEPO, IOs	IEC materials produced
Biological	Dengue	General Public	Coordinate with media partners	whole year round	HEPO funds	HEPO, NNC,	HEPO, IOs	# of media appearance
	Measles		Organization of Local Nutrition Clusters	2020-2022	HRH, meeting logistics, travel func	DOH, NNC, P/C/MHO	LNC members	# of LNLC organized
	Diphtheria		Capacity Building: PIMAM, IYCF, EPI Cold Chain, CGS, NIE, IMO, MISP	2022-2024	Training logistics	DOH, NNC	DOH & NNC Technical Staff	#of NAOs, D/C/MNPCs Trained # of LGUs trained
	Viral Epidemic/Pandemic		Capacity Building: PIMAM, IYCF, CGS, NIE, IMO, MISP, Food Security	2022-2024	Training logistics	DOH, NNC	DOH & NNC Technical Staff	#of NAOs, D/C/MNPCs Trained # of LGUs trained

* Note: to ask from local media plan budget for preparedness

Central Visayas DRRMH-NiE Plan
Preparedness Plan
2021 Update

Risk	Strategies and Activities	Timeframe			Person in Charge	Indicators
			Required	Source		
Increased Malnutrition Rate	Organization of assessment teams and IYCF-E Support groups	2021-2022	Training Logistics/Mee ting logistics	DOH, NNC	NNC, IYCF Coordinator	# of IYCF-E Support Groups # of Assessment Teams
SAM, MAM, Micronutrient Deficiencies	Regular Update Directories of nutrition clusters/cluster personnel/ trained personnel	quarterly	Human resource	NNC	IMO	Updated directories of nutrition clusters/cluster personnel/ trained personnel
	Inventory of existing supplies/logistics and resources (actual quantities of buffer stocks and micronutrients, monitoring tools etc)	bi-annual	Human resource	DOH/PCM/LG Us/NGOs	Supply Officers/DRMM-H Manager	Updated inventory of supply/logistics
	Advocacy for micronutrient stock piling and procurement	2022	Travel funds	DOH, NNC	Tech staff (DOH, NNC)	No. of advocacy conducted for micronutrient stock piling and procurement
	Orientation, training on NiE services/activities to LGUs and partners – with contribution from PNA, PLGPMI,	2021-2022	Training Logistics/Mee ting logistics	NNC	NNC Tech Staff	# Trainings conducted, # of trained personnnel
	Conduct of orientation, training on NiE services/activities to RNC TWG members	2021-2022	Training Logistics/Mee ting logistics	NNC	NNC Tech Staff	# Trainings conducted, # of trained personnnel
	Inventory of existing supplies/logistics and resources for PIMAM	quarterly	Human resource	DOH/PCM/LG Us/NGOs	Supply Officers/DRMM-H Manager	Inventory updated
	Monitoring and immediate treatment of SAM and MAM cases	whole year round	Human resources, medical and nutrition	DOH, LGU	LGU	SAM and MAM tracking records updated monthly
Increased Food Insecurity	Mapping of possible locations for supplementary feeding centers and general food distribution points in all hazard-prone areas	2021-2022	maps, TEV	P/C/MSWD	Local Nutrition Clusters	# of feeding centers identified
	Coordination with Food Clusters	annually	Training Logistics/Mee ting logistics	NNC	Nutrition Cluster	# of meetings, minutes of meeting
	Coordination with stakeholders for possible food kitchens	2021-2022	food kitchen logistics, food stuff	stakeholders	NGOs	#of food kitchens
	Prepositioning of food packs	annually	food packs, warehouses	DSWD, LGUs,NGO	P/C/MSWDO	#of food packs prepositioned

Central Visayas DRRMH-NiE Plan
Preparedness Plan
2021 Update

Risk	Strategies and Activities	Timeframe			Person in Charge	Indicators
			Required	Source		
Increased Incidence of Disease Outbreak	Conduct of Nutrition in Emergencies awareness campaign thru quad media	annually	quad media	NNC, HEPO	Nutrition Cluster	#of quadmedia exposure, media mileage
Measles, Food and Water Borne Diseases, Other Communicable Diseases	Coordination with the WASH Cluster for food and water sanitation	annually	meeting logistics	NNC	Nutrition Cluster	#meetings, minutes of meetings
	Water sampling in evacuation centers	whole year round	water samples, bottles, human resource	RHU	Sanitary Inspector	water samples tested
	Regular provision of services	whole year round	regular health and nutrition logistics	DOH, NNC, LGU	P/C/MHO	accomplishment reports
	Inventory and stockpiling of medicine, vaccine	quarterly	Human resource	DOH	Supply Officers/DRMM-H Manager	Inventory updated

Incapitated local nutrition clusters
Insurance for local nutrition clusters

Preparedness Plan
2021 Update

Activity	Steps to be Undertaken			Person in Charge
	Pre-Impact	Impact	Post Impact	
	(0 day)	(0-48 hours)	(>48 hours)	
Management of Information System				
Activation of Information Management Systems				NNC 7
	Preparation of IM Tools	Conduct of Rapid Nutrition Assessment (NINA)		RNA Team
	Preparation of Data Repository	Updating of 4Ws, Nutrition Cluster Monitoring Reports,		
	Re-orientation of deployed nutrition cluster members	Submission of daily reports to OPCEN		
			Submission of demobilization Plan	
			Preparation of documentation reports	
Media Group Mobilization				MIND 7, HEPO
	Press Conference (as needed)		Press Conference (as needed)	
	NiE Text Blast			
	Issuance of Press Release re Nutrition in Emergencies			
Management of Service Providers				
Coordination Meetings				
	Coordination meeting with the RDRRMC			OCD
	Mobilization of RNA / IYCF teams			Nutrition Cluster
	Coordination meeting with the other Sub-Clusters under the Health Cluster			DOH HEM
	Coordination meeting with Nutrition Cluster members			NNC 7
Deployment of Nutrition Cluster Members		Deployment of RNA Team		Nutrition Cluster
		Deployment of IYCF-E Teams		Nutrition Cluster
	Briefing of Deployed Teams	Progress Monitoring		NNC 7

Preparedness Plan
2021 Update

Activity	Steps to be Undertaken			Person in Charge
	Pre-Impact	Impact	Post Impact	
	(0 day)	(0-48 hours)	(>48 hours)	
Coordination with Local Nutrition Clusters		Orientation/Briefing of Local Nutrition Workers	Deployment of local nutrition workers	Local nutrition workers, RNCl members,
			Provision of PIMAM Services	Local nutrition workers, RNCl members,
			Provision of IYCF-E	IYCF-E Team
			Provision of MS	Local nutrition workers, RNCl members,
Mobilization of Food Kitchens	Positioning of food kitchens in priority areas	Provision food		NGOs, LGUs
Management of Non-Human Resources				
Updating of resources inventory	Update MUAC supplies			Supply Officer
	Update PIMAM Commodities			Supply Officer
	Update MSP Inventory			Supply Officer
	Update IYCF-E materials			Supply Officer
Setting up of Mother-Baby Friendly Spaces in evacuation centers	Remind Camp Management of the use Mother-Baby Friendly Spaces	Setting up of Mother-Baby Friendly Spaces	Monitoring of Mother-Baby Friendly Spaces	Camp Managers
EO 51 Monitoring	Re-dissemination of information re EO 51		Monitoring of EO 51 compliance	Nutrition Cluster
			Act on EO 51 violations if needed	
Management of Victims				
PIMAM Services	Review of priority beneficiaries (SAM, MAM cases)	Identification of MAM and SAM clients	Referral of SAM & MAM clients	Regional/Local Nutrition Clusters
			Provision of PIMAM services	

Central Visayas DRRMH-NiE Plan
Preparedness Plan
2021 Update

Activity	Steps to be Undertaken			Person in Charge
	Pre-Impact	Impact	Post Impact	
	(0 day)	(0-48 hours)	(>48 hours)	
Food Supplementation	Review of OPT and other reports for prioritization		Provision of blanket supplementary feeding to identified beneficiaries	Regional/Local Nutrition Clusters
		Provision of food rations		Food Cluster
Micronutrient Supplementation	Review of MSP reports for prioritization		Provision of Vitamin A	Regional/Local Nutrition Clusters
			Provision of MNP	Regional/Local Nutrition Clusters
			Report service updates	Regional/Local Nutrition Clusters
IYCF-E Counselling	Review OPCEN data for prioritization of beneficiaries		IYCF-E Counselling	IYCF-E Team
		Assessment of PLW	Dissemination of IYCF-E materials	IYCF-E Team
			Report service updates	IYCF-E Team

Central Visayas DRRMH-NiE Plan
Preparedness Plan
2021 Update

Activity	Steps to be Undertaken		Persons in Charge
	Within 1 year	1 to 3 years	
Updating of Nutrition Databases	Updating of repository of databases		NNC 7
	Updating of capacity map		NNC 7
	Updating of Supply Inventory		NNC 7 and DOH CV CHD
	Updating of other nutrition logistics		NNC 7 and DOH CV CHD
Monitoring and Evaluation	Post Incident Evaluation and Debriefing	Revision of DRRMH-NiE Plan	NNC 7 and DOH CV CHD
	Meetings with local nutrition clusters affected	Revision of local NiE Plans	NNC 7
	Use of monitoring report tools		NNC 7
	Documentation of good practices	Dissemination of good practice documentation for adoption of other LGUs	NNC 7
Manage nutritional status of affected population and prevent further worsening			
a. Monitoring	Use of monitoring report tools	Regular submission of reports	NNC 7
	Replenishment of growth assessment logistics	Calibration and validation of CGS tools	NNC 7
	Re-training of health and nutrition workers	Post training monitoring and evaluation	NNC 7
b. Dietary Supplementation	School-based feeding activities		DepEd, NGOs
	Supplementary Feeding for Pregnant Women		NNC 7, LGU, NGOs
		Integration of Home, School and	DA 7
PIMAM activities	Referral of MAM and SAM	Regular PIMAM activities	DOH CV CHD, LGU
	Re-establishment of OTCs and ITCs		DOH CV CHD, LGU
	Replenish supplies		DOH CV CHD, LGU
	Re-training of health and nutrition workers		DOH CV CHD, NNC 7, LGU

Central Visayas DRRMH-NiE Plan
Preparedness Plan
2021 Update

Activity	Steps to be Undertaken		Persons in Charge
	Within 1 year	1 to 3 years	
IYCF activities	Replenish IYCF counselling cards, IEC materials etc		DOH CV CHD, NNC 7, LGU
	Re-organization of Peer Counselors	Capacity building of IYCF Support Groups	LGU
		Activation of IYCF Support Groups	LGU
Coordination Activities	Meetings with other clusters: Food Cluster and other DOH sub clusters		NNC 7
	Identify nutrition sensitive activities to improve quality of life of affected population	Coordinative meeting with different stakeholders to campaign for nutrition-sensitive activities for affected population	RNC
		Setting up of nutrition sensitive interventions in affected areas	RNC
		RPAN re-planning to integrate abovementioned	RNC

*Notes

Possibly revise and identify better categories/steps
 Coordinate with possible planning core group to finalize NiE
 Re-check integration to the DRRM-H-NiE
 Integrate an M&E Plan
 Find funds for roll-out to LGUs
 Key step for LGUs include the organization of Local Nutrition Clusters
