**WHEREAS**, the PPAN 2017-2022 contributes to the attainment of the goals of the Philippine Development Plan, the Sustainable Development Goals, and ultimately *Ambisyon Natin*.

**WHEREAS**, one of the strategies to fully operationalize the PPAN 2017-2022 is the formulation of a Regional Plan of Action for Nutrition (RPAN);

**WHEREAS**, the RPAN, 2019-2022 was formulated through a participatory, inter-sectoral and multi-level process;

**WHEREAS**, the Central Luzon RPAN contains key elements expected to contribute to the attainment of the PPAN 2017-2022 national goals and targets;

**WHEREAS**, the levels of undernutrition in the region have been continuously high throughout the years, and based on the Updating of the Nutritional Status of Filipino Children and Other Population Groups conducted by the Food and Nutrition Research Institute of the Department of Science and Technology (FNRI-DOST) in 2015, the prevalence of underweight in Central Luzon is at 16.6%, stunting at 23.1% and wasting at 7.5%. **WHEREAS**, the CL RPAN provides estimated budget requirements for each of the identified program and projects cognizant to the actual GOP budget process. It also anticipates risks and threats by factoring mitigating strategies and program adjustments, defines the institutional accountabilities to deliver outputs and outcomes to include accountability for coordination with the rest of the RNC. It also lays out the monitoring, reporting and evaluation mechanism necessary to determine progress of implementation and extent of outcome targets achievement.
